Disclosure of the Social Security Number on page 1 is mandatory. It will be furnished to the Rhode Island Division of Taxation pursuant to Chapter 76 of Title 5 of the Rhode Island General Laws, which states that any person applying for or renewing a license to conduct a profession within Rhode Island must have filed all required state tax returns and paid all taxes due the state. The statute also requires the following certification: "I hereby certify, under penalty of perjury, that I have filed all required state tax returns and have either paid all taxes due the state, entered into a written time payment agreement with the Rhode Island Division of Taxation, or am pursuing administrative or appellate review of unpaid taxes."
